

Brilliant EYECARE

Thank you to all those that donated to make our sponsored family feel so very special this Christmas. We could not make these things happen without the support of our patients or our outstanding team. In addition, we cannot go without mentioning a big thank you to Amanda Heflin in helping us to find this family to share our joy. We cannot wait to sponsor another family next year. It is our hope to get an early start, so we can get the word out a little sooner. Again thank you for your continued support and allowing us to provide you all with outstanding eyecare.
